BRIEF NOTE ON METHODOLOGY FOR FIXING SCALE OF FINANCE

The first and foremost duty in extending agricultural credit to the farmers starts with fixing Scale of Finance for various crops. Every year, the Scale of Finance is being fixed in consultation with all members of District Level Technical Committee (DLTCs) and State Level Technical Committee (SLTC).

NEED FOR REVISION OF SCALE OF FINANCE FOR CROPS:

The Reserve Bank of India observed that the Scale of Finance fixed by the Technical Groups of the Central Cooperative Banks were generally on the high side, as compared to the scales adopted by the Commercial Banks and that a tendency to increase the cash component in the Scale of Finance was also noticed. To streamline the procedure of fixing the Scale of Finance adopted by the Central Cooperative Banks and Commercial Banks, the Reserve Bank of India suggested that the State Government should constitute a State Level Committee to go into all the aspects to the Scales of Finance followed by the Cooperatives and Commercial banks for financing agriculture and evolve a uniform pattern.

CONSTITUTION OF INTERNAL WORKING GROUP BY RBI/NABARD:

As per instruction of Internal Working Group constituted by Reserve Bank of India to review Agricultural Credit and to analyze the challenges faced in the agriculture sector, focus has been given to bring about uniformity and transparency in fixation of Scale of Finance. Accordingly, it has been decided to revise the existing guidelines followed in fixing the Scale of Finance from the cropping season 2021-22.

Based on the recommendations of the Internal Working Group constituted by the RBI, NABARD made some changes in the constitution of State Level Technical Committee, as detailed below:

1. The District Collector/District Magistrate may be appointed as Chairman of the Committee.

2. Membership may consist of Lead District Manager (LDM)/District Development Manager (DDM) of NABARD, representative of Agriculture, Animal Husbandry and Fisheries Departments, major commercial Banks, Regional Rural Bank, major NGOs and few progressive farmers in the district concerned. Representatives of Krishi Vigyan Kendra (KVK)/ Agricultural University/ Veterinary University/ Indian Council of Agricultural Research (ICAR) Regional Research Stations/ Agricultural Technology Management Agency (ATMA) etc., may also be included as regular members of the Committee.

3. The SLTC may be constituted under the chairmanship of the Agricultural Production Commissioner (APC)/ Secretary, Agriculture Department with state Cooperative Bank as its Convener. In the absence the APC/Secretary, the Director of Agriculture may chair the meeting. Membership may consist of State Agriculture Department, Animal Husbandry and Fisheries Departments, State Co-operation Department, RBI, NABARD, SLBC Convener, major Commercial banks functioning in the state etc., Representative of Technical Institutions like state Agriculture University, Veterinary University, Fisheries University and ICAR Research Institutions in the State may be invited as regular members.

RECONSTITUTED STATE LEVEL TECHNICAL COMMITTEE IN 2021:

The Government of Tamil Nadu, vide G.O.No.27 Agriculture (APS) department dated 05.02.2021, reconstituted the state Level Technical Committee under the chairmanship of Agricultural Production Commissioner (APC)/ Secretary, Agriculture Department with the following the composition:

1. Agricultural Production Commissioner and Principal Secretary – Chairman;
2. Managing Director, Tamil Nadu State Apex Cooperative Bank Members Secretary/Convener;
3. Director of Agriculture- Member
4. Director of Horticulture and Plantation of Crops – Member
5. Director of Animal Husbandry- Member
6. Director of Fisheries- Member
7. Director of Dairy Development – Member
8. Registrar of Cooperative Societies- Member
9. Representative from Reserve Bank of India – Member
10. Representative from National bank for Agriculture and Rural Development- Member
11. Convener, State Level Banker's Committee- Member
12. Major Commercial Banks in the State and Regional Rural Banks- Members
13. Representatives- Regular Members
 - I. Tamil Nadu Agricultural University
 - II. Tamil Nadu Veterinary and Animal Sciences University
 - III. Tamil Nadu Dr.J.Jayalalitha Fisheries University
 - IV. Research Institution of Indian Council for Agricultural Research in the state

In the absence of Chairman, the Director of Agriculture may chair the meeting

ROLE OF DISTRICT LEVEL TECHNICAL COMMITTEES(DLTCs):

Based on the revised circular, the DLTCs are convening the DLTC meetings under the Chairmanship of District Collector by strictly adhering to the following guidelines:

- The Scale of Finance amount should be fixed on acre basis,
- The recommended loan amount should not exceed the cost of cultivation for that crop.
- The DLTCs should obtain details of expenditure per acre for every crop from the district office of Agriculture and Horticulture. Further, the DLTCs must submit their recommendations for scale of finance for irrigated and rainfed crops separately.
- The DLTCs must recommend increase in the Scale of Finance only ranging from 10% to 15% and substantive reasons must be submitted for increase over and above 15%.
- The DLTC must furnish complete details while recommending Scale of Finance for new crops.
- The recommendations of DLTC must correlate with the recommendations of neighboring districts.
- The DLTC must forward its recommendations in cash and kind components with break-up details of cost of pesticides, fertilizers and seeds.
- The DLTC should submit its recommendations based on duration of crop and loan repayment period.
- The DLTC must separately submit its recommendations for organic crops.

After convening the DLTC meetings, the Member Convener of DLTCs will forward their recommendations to the Apex Cooperative Bank for placing the same before the SLTC for its approval.

ROLE OF STATE LEVEL TECHNICAL COMMITTEE:

Based on the recommendations of DLTCs, the SLTC Chairman will convene its meeting. While finalizing the Scale of Finance, the following facts will be taken into consideration:

- Wide variation in the Scale of Finance among the districts should be avoided and it should be streamlined over the years.
- The cost of input viz., Fertilizers, Pesticides and seeds are almost similar in all the districts and possibility for increase in the scale of Finance is only under labour cost which differs among the districts and hence, insisted upon the need for standardizing kind component throughout the state in order to reduce huge gap prevailing in the scale of Finance.

Abstract

Agriculture - Scale of Finance for various crops – New guidelines Issued by National Bank for Agriculture and Rural Development – Reconstitution of State Level Technical Committee and District Level Technical Committee for fixing of Scale of Finance for various Crops - Orders – Issued.

திருவள்ளூர் ஆண்டு, 2052

Read:-

1. G.O.(Ms).No.648, Food and Cooperation Department, dated 12.08.1981.
2. From the National Bank for Agriculture and Rural Development (NABARD), Circular No. 109/Refinance - 34/2020, dated 15.04.2020.
3. From the Registrar of Co-operative Societies, Letter Rc.No.21409/2020/CBP3, dated 17.09.2020.

ORDER:

In the Government Order first read above, the Government have constituted State Level Committee to review Scale of Finance for various crops in Tamil Nadu. The existing State Level Technical Committee is headed by the Principal Secretary to Government, Cooperation, Food & Consumer Protection Department with Registrar of Cooperative Societies, Managing Director of Tamil Nadu State Apex Co-operative Bank (Member Secretary), Commissioner of Agriculture, Horticulture, Sericulture, Sugar, Oilseeds Department, Chief General Manager of Reserve Bank of India, Indian Bank, Canara Bank, Indian Overseas Bank as members and Chief General Manager of National Bank for Agriculture and Rural Development, Managing Director of Tamil Nadu Co-operative Marketing Federation Limited and General Managers of two District Central Co-operative Banks as Special Invitees. Based on the recommendations of the State Level Technical Committee, every year, the Tamil Nadu State Apex Co-operative Bank is circulating the Scale of Finance to the stakeholders.

(P.T.O)

2. The Scale of Finance (SoF) is recommended by the State Level Technical Committee (SLTC) for various crops which forms the basis for determining the eligible credit for each crop. The limit for Kisan Credit Card is also decided based on the scale of finance, crop grown and area cultivated. To streamline the procedure of fixing the Scale of Finance and to remove the wide difference between the scale of finance adopted by the Central Co-operative Banks and Commercial Banks, the Reserve Bank of India has requested the State Government to constitute a State Level Committee to go into all the aspects to the scale of finance followed by the cooperative and commercial banks for financing agriculture and evolve a uniform pattern. The National Bank for Agriculture and Rural Development in its circular No. 109, dated 15.4.2020, has informed that the Internal Working Group was constituted by Reserve Bank of India to review Agricultural Credit and to analyse the challenges faced in the agriculture sector & that Internal Working Group has stated that there is a need to bring about uniformity and transparency in fixation of scale of finance. The suggestions made were further examined by Reserve Bank of India and National Bank for Agriculture and Rural Development and suggested new guidelines for implementation of State Level Technical Committee and District Level Technical Committee from the year 2021-2022.

3. As per the new guidelines, the Registrar of Co-operative Societies has proposed to reconstitute the State Level Technical Committee (SLTC) with Agricultural Production Commissioner (APC)/Secretary to Government, Agriculture Department as Chairman of the Committee and Members from other Departments and District Level Technical Committee (DLTC) with District Collector/District Magistrate as Chairman of the committee and members from other departments alongwith its functions as indicated by National Bank for Agriculture and Rural Development.

4. After careful examination of the proposal of Registrar of Co-operative Societies, the Government hereby reconstitute the State Level Technical Committee and District Level Technical Committee based on the guidelines issued by the National Bank for Agriculture and Rural Development to streamline the fixation of Scale of Finance for various crops for crop loan.

In the absence of the Chairman, the District head of the Agriculture department may chair the meeting.

6. The functions, role and responsibilities of the committees and timelines are prescribed as per the guidelines framed by National Bank for Agriculture and Rural Development as annexed to this Government Order.

7. Extending timely and adequate finance for undertaking farming activities is one of the crucial factors in ensuring sustainability of agriculture, doubling of farmers' income and food security of nation. The fixation of realistic Scales of Finance before commencement of each cropping season is very important for the same. Hence, guiding principles on fixation of Scale of Finance by both State Level Technical Committee and District Level Technical Committee as annexed should be followed very meticulously.

Agriculture (AP5) Department**Annexure I****[G.O.(Ms.)No.27, Agriculture(AP5)Department, Dated:5.2.2021]****State Level Technical Committee****a. Process**

The proposals forwarded by the DLTC shall be placed for the consideration of the committee. The State Agriculture department shall review the proposal for field crops while the Animal Husbandry and Fisheries departments shall review the proposals for working capital limits under their respective sectors and place it in the Committee. Technical inputs shall be taken by the departments from the technical institutions like Tamil Nadu Agricultural University etc., if considered necessary.

b. Fixing of Scale of Finance

The Committee shall take an overview of the state and fix realistic Scales of Finance considering different agro- climatic zones, irrigated/unirrigated areas, methods of cultivation and taking into account local variations and nuances in the cropping pattern, if any, prevalent in districts. Since the cost of cultivation for a farmer using traditional methods of farming and that for a progressive farmer using modern methods of cultivation are different, it is desirable that the Scale of Finance (SOF) shall be fixed as a scale indicating the amount admissible as a range. Scale of Finance for working capital loans of allied activities shall be fixed considering the prevailing practices in different parts of the State and based on the unit size such as per animal/ birds or average unit size of investment.

c. Notification

SLTC shall notify the Scales of Finance for crop loans and the working capital loans for animal husbandry and fisheries sectors. The Scales of Finance (SoF) notification should clearly indicate the district, Agro climatic zone, type of crop, season, conditions in which it is grown etc., format for Issuing the notification is as follows:-

Format for Notification – State Level Technical Committee (Indicative)

Name of the State:

Agro – climatic Zone:

Season – Rabi/Kharif/Summer

(P.T.O.)

Name of the Crop	SoF (per Acre)	Districts/Taluks covered
Paddy (Rainfed)		
Paddy (Irrigated)		
Paddy (HYV)		
Dairy animal	per animal	
Poultry	Per bird	
Fishery - Inland	WC for 1 acre pond	
Fishery - Marine	WC to be indicated based on the type of activity	

Note:

The above format is an indicative one and may be suitably modified to meet the needs of the district.

Dissemination of information at the ground level shall be ensured by communicating the same to all operating banks and stakeholders and also by placing in the websites, concerned.

District Level Technical Committee (DLTC)**a. Process**

The proposals received from the stake holders or proposed by the technical experts shall be placed for the consideration of the committee. The agriculture department shall review the proposals for field crops while the animal husbandry and fisheries departments shall review the proposals for working capital limits under their respective sectors and place it in the Committee. The proposals should be reviewed taking into account the prevailing cost of inputs, productivity and market price of produce and technical inputs from the KVK/ Agriculture University/ Veterinary University/Fisheries Colleges/ University/ ICAR Research stations, ATMA etc.

b. Fixing of Scales of Finance (SoF)

Scales of Finance (SoF) shall be fixed on per acre basis indicating a range taking into account various aspects including different agro - climatic zones, cropping practices etc. for all important crops grown in the district for different cropping seasons including summer crops, if there are any.

(P.T.O.)

Separate scales shall also be prescribed for irrigated and unirrigated crops, traditional and modern methods of farming and local variations in farming practices, if any. In districts where organic farming/ natural farming is in vogue, separate Scales of Finance (SoF) for the same shall also be finalised. In case of Animal Husbandry activities, Scales of Finance (SoF) shall be fixed per animal / bird basis for all important activities undertaken in the district after giving due consideration to rearing practices in vogue and all recurring expenses required for sustaining production activities. Similarly, for Fishery sector, Scales of Finance (SoF) shall be fixed based on the average unit size of the investment. Following are some additional measures suggested while fixing the scale of finance:

- i. While the district can continue to be the unit for prescription of the scales of finance, different scales shall be fixed, should the agro climatic characteristics vary, within a district.
- ii. DLTC should build up and maintain a data base and detailed worksheets considered for undertaking the exercise for fixation of realistic scales.
- iii. Scales should be fixed with reference to package of practices adopted and the extraneous factors like resource constraints of the banks, should not come into the picture.
- iv. There is a need for fixing separate/higher scales of finance for commercial production of seeds by the seed growers, for export oriented horticulture/ floriculture, tissue culture based seedlings, etc.,
- v. Scales of Finance (SoF) shall be fixed for all the crops including horticulture crops, Animal Husbandry activities and Fisheries activities.
- vi. Separate Scales of Finance (SoF) shall be fixed for "low volume high value" crops like flowers, aromatic/medicinal crops, spices, etc., depending upon the crop feasibility as per agro-climatic conditions, if prevalent in the district.

c. Recommendation to SLTC

DLTC shall indicate scales of finance for major crops and working capital loans to allied sector activities and forward their recommendations to State Level Technical Committee for finalisation and adoption.

Timelines

DLTC and SLTC shall meet annually for finalising the Scales of Finance (SoF) for an year. However, there can be more meetings in a year if need be. The timelines for completing the process is indicated as under and should be followed scrupulously so as to be ready with the new Scales of Finance (SOF) before start of a cropping season.
